Microsoft® Virtual Earth™

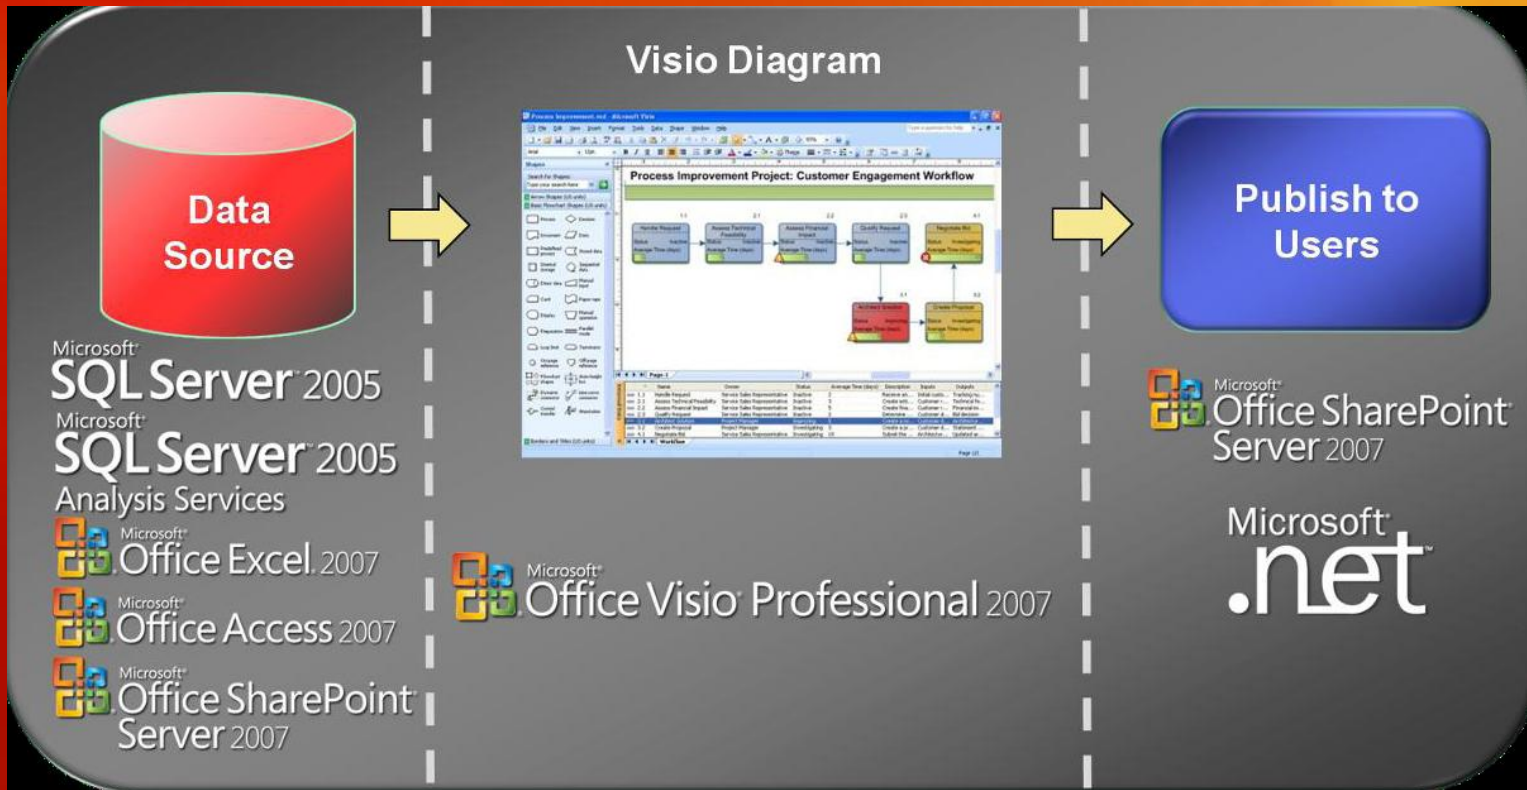

Agenda

- **Datenvisualisierung mit Visio 2007**
- **Plan-B Visio Extensions for Sharepoint**
- **Zusammenfassung**

Microsoft Visio 2007

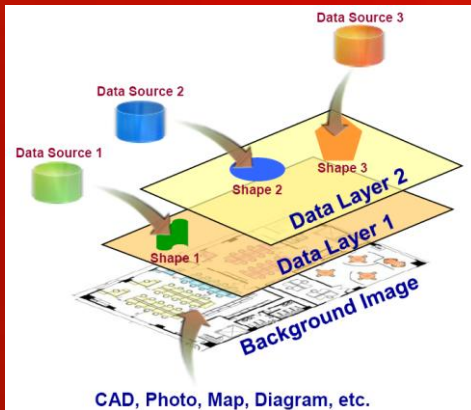

...DAS Enterprise-Tool zur Datenvisualisierung!

DEMO

Business Case:
Visualisierung von Verkaufsdaten

Business Case:
Produktionsüberwachung / Cockpit

Visio-Datenquellen

Microsoft Office Visio 2007 Connector

Add-in for Microsoft System Center Operations Manager 2007

Microsoft Office Visio 2007 Connector

Add-in for Microsoft System Center Configuration Manager 2007

Microsoft Office Visio 2007 Connector

Add-in for Data Center Storage Management

Microsoft System Center...

Captures and aggregates enterprise data assets and optimizes the IT administrative task to monitor and control those assets. With the Microsoft® Office Visio® 2007 Connector, IT administrators can now visually represent status information by using Microsoft Office Excel® workbooks and Microsoft Windows® Management Instrumentation from servers, such as Microsoft System Center Operations Manager and Microsoft System Center Configuration Manager, on real-time dashboards.

*The Visio Connector for
Data Center Storage
Management is
now available at
the Microsoft Visio
Toolbox Web site.*
